Limitation of liability: Circumstances may arise where, because of a default on the trainers or our part or other liability, you are entitled to recover damages from us. In each such instance, regardless of the basis on which you are entitled to recover damages from us including fundamental breach, negligence, misrepresentation or other contract or tort claim, we are liable only for direct damages up to the charges for the Course or Course Material that is the subject of the claim. This limit also applies to any of our subcontractors. It is the maximum for which we are collectively responsible.

This section will survive the completion or termination of the Course.
